Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for the County of Bergen's River Road Soil Stabilization project in fiscal year 2024. The entity to receive funding for this project is the County of Bergen, located at One Bergen County Plaza, 5th Floor Hackensack, NJ 07601. The funding would be used for subsurface soil stabilization to resolve the continuous sinking of River Road in Edgewater between Gorge Road and the Hudson County line. The project is an appropriate use of taxpayer funds because it will allow River Road to be a safer and more sustainable roadway for those traveling between Bergen and Hudson Counties. The project has a Federal nexus because the funding provided is for purposes authorized under 42 U.S.C. 5305(a)(2). I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in blue ink that reads "Bill Pascrell Jr".
